

Welcome to For Positive Men!

For Positive Men (For PM) is a peer-based and peer-led social and support group for HIV-positive men. In short, there are no elected leaders and all levels of participation are voluntary.

We are a diverse group, open to participation by all poz (HIV+) guys, 18 or older of any race or sexual preference.

Our main group meetings are held every Thursday night from 6:30 to 8:30 PM at Casa De Cristo, 1029 E. Turney Ave, Phoenix. We are not affiliated with the church in any way, and there is no limits on topics because of where we meet.

In addition to the weekly meetings, we have a very active mailing list, a monthly movie night & other social gatherings during the month.

If you have any questions or concerns not covered here, please feel free to ask during or after the meeting, or contact one of the Welcome Team members listed on the back cover.

Give us three times

As with any group, not every meeting is the same. Topics vary widely from meeting to meeting, ranging from serious HIV topics to pop culture to politics to tech gadgets. There are no limits on topics: serious and funny; opinions and observations; news, remembrances, and announcements.

Just raise your hand if you want to contribute to the discussion, share some news, ask a question, get some advice, or change the topic. You'll find we have a wide range of experience and a willingness to help.

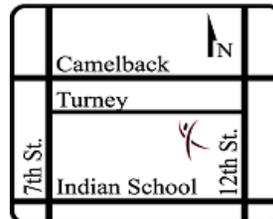

We ask that you give us three times. It can take a meeting or two to get comfortable. If after three meetings it's still not working for you, then this is probably not the group for you. We would be glad to recommend other groups that may better meet your needs.

Welcome Team

Sometimes it's hard speaking or asking questions in front of a large group. Feel free to talk to one of us during break or after the meeting. The guys below have volunteered to make themselves available to answer your questions, etc. outside of the meetings. E-mail or give them a call.
